

## CFI / DPE Forum

The DPE / CFI forum has been highly successful in Houston and CFI David Lewis is bringing it to Louisiana. Houston area DPE's Rick Hill and Rick Rawlings will travel to Pineville to help facilitate the first forum. Peyton Enloe and Ryan Roberts will attend from the Louisiana area DPE's. This event gives the CFI's a chance to interact with the DPE's in a different environment. This will be a great opportunity to cover current trends and hot topics. The topic for this forum is the new ACS - Airman Certification Standards.

**Directions:** The Clubhouse is the first building on the right.
